MINIKHANA TRI-CLUB SERIES

ABOUT THE SERIES

What is it?

The Minkhana Tri-Club Series is a 4 round points series for Baulkham Hills, Blacktown and Junior Trials club members. The series will be run as an interclub series, requiring all riders to be members of one of the 3 clubs. All events will be held at Junior Trails home grounds at Gwandalan on the central coast approximately 1 hour north of Sydney. The focus of each round is for riders to practice and compete in the events that will be contested at each of the Regional and state championships in a friendly, family orientated environment. All events will be held on Sundays. The 4 round series will be contested between February and October 2010.

Who can enter?

There is no qualifying or prerequisite requirements other than club membership, valid MA licence and a minikhana eligible bike (see MOMS 2010). The series is open to all riders (new & experienced) who want to compete in a Minikhana series. As an interclub based series, we hope to see a good mix of those who have competed for some time, along with riders who are new to competition. The classes of competition are designed to give each rider the opportunity to compete against riders of similar capability.

Special Coaching for new riders

To encourage everyone to "have a go" all riders who have just completed their Kick Start Program or who have not competed in Minikhana before will be placed in the coaching program for round 1. In this program all riders regardless of what size bike they are riding will be given instruction on how to do each event, what the rules are and they will get plenty of practice to "get the hang of things". New parents will also be included in this program so they too can learn the events, the rules and how to perform the flag marshal role, that way everyone gets up to speed much faster. This program will also be available in rounds 2 & 3 for those riders and parents who would like further coaching and practice.

Licences

All riders must hold a valid Motorcycling Australia Licence as follows –

- Nippers –Nipper or Mini Licence
- Juniors – Mini or Junior Club or Junior National Licence
- Seniors – Mini or Senior Club or Senior National Licence.

Classes of competition

Final determination of classes of competition will made once entrant numbers are confirmed, however it is intended that individual point score classes will be as follows -

Bike / Class	Grades	Bike / Class	Grades
Nippers	(non competitive)	65cc	A, B and C grade
50cc Division 1	(non competitive)	85cc (small wheel)	A, B and C grade
50cc Division 2	A, B and C grade	85cc (big wheel)	A, B and C grade
Mini-wheel	A, B and C grade	Senior 85cc (small or big wheel)	Combined grade

- A and B may be a combined grade depending on rider numbers.

POINT SCORING

Point scoring system

Each event will be scored as per the MOMS 2010 ie: 17 points for first, 12 points for second and 9 points for third. The overall place getters for each grade at the end of the series will be announced and applauded but no trophies other than the attendance medallions will be presented to all riders that compete. The points earned in this series will count towards the BHJMTc minikhana annual points series and end of year trophies will be awarded for this.

OTHER STUFF

Guiding Principles

The Tri-Club series is a family friendly environment. The focus of the series is on juniors.

All families are required to assist in the running of the events which may include –

- Set up of the event
- Marshalling on the day
- pencilling
- Point scoring
- Clean up / pack up

Marshalling

Every rider must be able to provide a marshal to assist on the day. Failing to provide a marshal may lead to exclusion from the event or forfeit of event points at the discretion of the Clerk of the Course or Steward.

Competition Times

Standardised competition times will exist for all events as follows

Sign on & scrutineering	7:30– 8:30am
Riders Briefing	8:30am
Practice	9:00am
Competition Start	At the conclusion of practice
Competition End	4:00 – 5:00pm

Canteen

Junior Trails will provide extensive canteen facilities at each round including BBQ breakfast & lunch along with a supply of drinks and snacks and hot food. In recognition of Junior Trials providing their grounds to our clubs free of charge we would encourage all members to patronise the canteen as much as possible.

Rider Numbers & Number plates

Rider numbers will be as per those allocated by each respective club. Number plates for juniors will be as per the standards set out in GCR's for minikhana so as to minimise the need for additional number plates

Club Jerseys

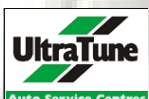

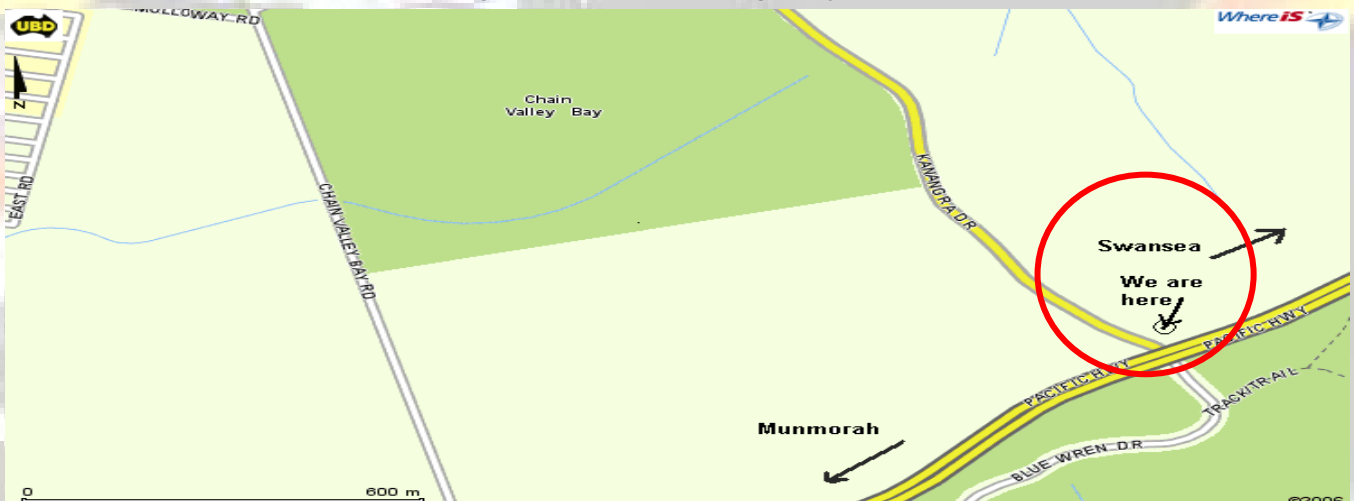

Where ever possible it is asked that each rider wears his/her club jersey. BHJMTC jerseys will be available for sale on a first come first serve basis at each round of the series for \$40 each.

FEES

Ride Fees at all events
